

Transforming Care Programme Transfer

What is changing?

The NHS organisation that runs the service is changing.

North Staffordshire
Combined Healthcare
NHS Trust

From 1 August 2026, North Staffordshire Combined Healthcare NHS Trust (NSCHT) will run the service.

What will stay the same?

The service will stay the same.

The team that provide your help and support will also stay the same.

You do not need to do anything.

Why is this happening?

North Staffordshire
Combined Healthcare
NHS Trust

The NHS organisation that runs the service is closing.

So we have asked NSCHT to run the service instead.

This means that the service can continue.

Will I still get support?

Yes.

We do not expect any changes to the support you receive.

Who do I contact if I need help?

You can keep using the same email until the 1st of August 2026.

After the 1st of August, the email will change to sch-tr.TCPShropshire@nhs.net

What if I have questions?

You can speak to your care coordinator or a member of the Transforming Care team.

They are happy to answer your questions.
