

PHYSICIANS ASSOCIATE - DAY OF CPD

Save the Date: Tuesday 26th July 2022 8:30am– 5:30pm

Holiday Inn, Telford (Reynolds Suite)

WHAT TO EXPECT

We are pleased to invite you to attend the first Shropshire, Telford, and Wrekin ICS Physicians Associate - day of CPD, we hope to run these annually.

Throughout the day there will be:

- Keynote speakers.
- Clinical and non-clinical training and development (CPD accredited).
- The opportunity to network with colleagues working in primary and secondary care.

Following a challenging time over the past two years, we are pleased to be able to offer this fantastic opportunity to take some time to away from practice with likeminded colleagues to reflect, explore the future of Physicians Associates, celebrate what you have achieved to date and consider the continuing role you have to play in your local community.

The day aims to bring STW PAs together to take some time to learn together, develop skills and refresh before returning to practice or training.

There will be thought-provoking workshops/teaching and networking opportunities. Speakers will take to the stage to inspire, challenge and advise on how you can develop in your role.

This is a free event. The cost of all workshops/ teaching and refreshments are covered by HEE. Please use the link below to book your place; you will be contacted to confirm your booking and a full agenda will be sent closer to the day. Please book early to ensure your place at the event.
